Coaching:

We rely heavily on parent support for coaching/managing teams and appreciate those parents who give up their time to do this.

- Each team **will** require someone to oversee them. We will only be able to register teams subject to this and having enough registrations to make a team.

Commitment:

Commitment is something we want to instill in our tamariki and is really important when you sign up to a team sport. We often have late registrations, which means tamariki go onto a reserve list if teams are already full. Please be aware that if you do not turn up to 3 consecutive games and do not make contact with your Coach or myself, your child may be pulled from the team and their position filled to give another child a chance to play.

Uniform:

It is your responsibility while the sport is occurring to ensure the sports tops are washed after every game and looked after. Failure to return a top will result in you being invoiced for the replacement cost. Please **do not** allow the students to wear them to school or for personal use.

If your child has a game after school and is bringing their uniform with them, please remind them to keep this in their bag until it is time for their game. We appreciate your support with this.

Registrations:

Please have registrations in and completed by **Wednesday 20th SEPTEMBER 4:00pm.**

- Any registrations made after this date will be put on a reserve list until a space becomes available.

Grades have been capped so please register AS SOON AS YOU CAN!

Touch Rugby:

Last year, we had a clash with Touch Rugby which saw a number of children pull out of Summer Soccer a few weeks into the competition. This left a couple of teams short of players and having to find fill in players each week. If you think there is a possibility that this could happen to you, please make a decision early on of which sport you would like to go with.

School or Club:

Please either play for a club or for school. Do not sign up for both. We also had teams playing short some weeks last year due to children opting to play for their club instead of their school team if the timings coincided. Let's keep it fair and fun for everyone.

We appreciate your understanding and support with this.

If you have any questions, please feel free to email me.
