CENTRAL NORMAL SCHOOL

Term 3 Week 10

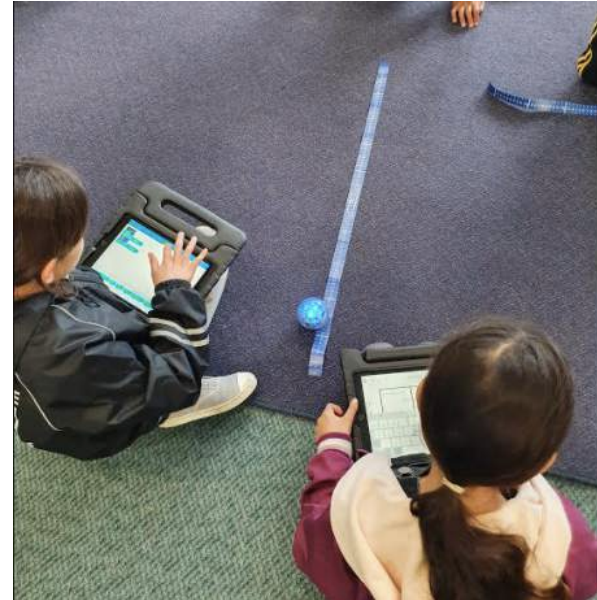

Wahia Kia Tutuki ~ Strive to your Potential

23 September 2020

Kia Ora Koutou, Malo e lelei, Guten Tag

Tomorrow is the last day of term, which is incredibly momentous as it signals the end of our first full length term at school this year! Term 1 was shortened due to Lockdown. Term 2 began with Distance Learning and small bubbles of children attending school, until we moved to Alert Level 2 when the majority of children returned to school. Then, we started Term 3 and while we have been in and out of Alert Level 2, school continued to be open, which has been our first full term this year.

With the impact of Lockdown, moving in and out of Alert Levels and the end of a full length term - it is little wonder that our tamariki are tired and ready for a well earned break. The impact of the year has, and will continue to be with us for a bit longer yet. A reminder, if at any time you need feel like you may need additional support, please let us know. Kia Kaha and enjoy the time with your children during the break.

Te Rā Makete

The profit totals have been tallied from Te Rā Makete and thanks to the suggestions of our tamariki, we are proud to be supporting the following charities:

SPCA:	\$282.33	Ronald McDonald House:	\$182.33	Kids Can:	\$590.37
Just Zilch:	\$162.63	Dementia Wellington:	\$103.33	Kind Hearts:	\$50
Land Search and Research:	\$88				

This is absolutely amazing and we are so proud of our tamariki for identifying these worthy charities to benefit from one third of the funds from Market Day. The second third of the profit has gone to classes to allow them to purchase something for their class and the remaining third has been given to our kura to spend on school wide projects.

Thanks again whānau for your overwhelming support of Market Day and adding to the authenticity of our children's learning.

Free School Lunches

We are really excited to let you know that our school will be joining the free school lunch programme from Term 1, 2021!

ALL children in our kura are eligible to receive a free lunch. Being able to provide lunch for every child means that no one child will be singled out. However, school lunches are not compulsory and some of you may still wish to provide your child with their own packed lunch from home.

Currently, the Ministry of Education is working on our behalf to source a supplier in town to provide the lunch service. Lunches will be healthy and nutritious and be respectful of cultural needs. The supplier will need to meet New Zealand food safety standards.

The programme will run from Term 1 2021 until the end of the year. If you would like to learn more about the Free Lunch programme, go to: www.education.govt.nz/free-and-healthy-school-lunches

Pakiwaitara

Next term our focus for learning is sharing and celebrating The Arts through storytelling - Pakiwaitara. The Arts encompasses Dance, Drama, Music and Visual Art. We will also integrate and focus on our school Disposition of Creativity.

Lion Foundation

A BIG THANK YOU to the Lion Foundation for their trust grant towards travel costs for our Year 5/6 camp! This contribution has made a significant difference to our overall costs and we greatly appreciate their support.
